  - NOT required to be vaccinated, but **MUST** be accompanied by a fully vaccinated adult
- Ages 5 to 11
  - Passport **BOOK**
  - **Fully vaccinated children**
    - Adults traveling with fully vaccinated children should **upload their children's proof of vaccination into ArriveCAN**. As fully vaccinated travelers, they aren't required to provide proof of a pre-entry test result. They are also exempt from quarantine, without any limitations on their activities.
      - **Arrival testing** for children who qualify as fully vaccinated:
        - **Must be** tested if they are selected for mandatory randomized testing
  - **Unvaccinated or partially vaccinated children 5 through 11 years old**
    - Unvaccinated and partially vaccinated children under the age of 12 aren't required to provide a valid pre-entry test result, if they're accompanying a fully vaccinated adult.
    - They're exempt from quarantine, without any limitations on their activities. This means, for example, they don't need to wait 14 days before attending school, camp or daycare. However **they need to wear a mask in public settings (including school) for 14 days after arrival to Canada**.
      - **Arrival testing** for unvaccinated or partially vaccinated children 5 through 11 years old:
      - **Must be** tested if they're selected for mandatory randomized testing
  - **Note:** Unvaccinated children over the age of 5 who aren't accompanied by a fully vaccinated adult must test on arrival and on day 8 of their mandatory 14-day quarantine.
